Reciprocating Blades

36-055

36-067

36-085

36-090

36-095

- Bi-metal blades last up to 10 times longer than carbon steel blades
- Flexible spring-back provides long blade life
- Super-hard, high speed steel teeth for a sharp, long-lasting cutting edge
- Shatterproof for tough applications
- Fit all reciprocating saws using 1/2 inch universal shank

L/W/TH (Inches)	TPI	Tooth Set	Material	Blade Back	Qty.	Application	Cat. No.
Metal Cutting							
4 x 3/4 x .035	18	Mill Set	Bi-metal	Straight	5	Sheet metal and pipes with wall thickness from 1/8 to 3/16 in.	**36-055**
6 x 3/4 x .035	18	Mill Set	Bi-metal	Straight	5	Sheet metal and pipes with wall thickness from 1/8 to 3/16 in.	**36-057**
6 x 3/4 x .035	24	Mill Set	Bi-metal	Straight	5	Sheet metal and pipes with wall thickness up to 1/8 in.	**36-058**
Wood w/Nails							
6 x 3/4 x .050	6	Mill Set	Bi-metal	Taper	5	Roughing, fast work, nail-embedded knotty wood. Remodeling.	**36-065**
9 x 3/4 x .050	6	Mill Set	Bi-metal	Taper	5	Roughing, fast work, nail-embedded knotty wood. Remodeling.	**36-066**
12 x 3/4 x .050	6	Mill Set	Bi-metal	Taper	5	Roughing, fast work, nail-embedded knotty wood. Remodeling.	**36-067**
General Purpose							
6 x 3/4 x .035	10	Mill Set	Bi-metal	Straight	5	Wood w/nails, metal and non-ferrous metal and pipes with wall thickness over 3/8 in.	**36-075**
Specialty Cutting							
8 x 3/4 x .050	Grit	Coarse	Tung. Grit	Straight	2	Iron pipe, fiberglass, reinforced plastics, ceramic tile, stone, slate and brick.	**36-090**
Heavy-Duty							
8 x 3/4 x .050	18	Mill Set	Bi-metal	Straight	2	Long life blade for cutting pipe, structural and stainless steel from 1/8 to 3/16 in. thick. Fire and rescue work.	**36-085**
8 x 3/4 x .050	10/14	Mill Set	Bi-metal	Straight	2	Long life blade for cutting pipe, structural and stainless steel from 1/8 to 1/2 in. thick. Fire and rescue work.	**36-086**
Demolition							
9 x 7/8 x .062	6	Mill Set	Bi-metal	Taper	2	Wood and nail demolition. Plunge cutting ability. Remodeling.	**36-095**
9 x 7/8 x .062	8/10	Mill Set	Bi-metal	Taper	2	Metal and pipe demolition. Fire and rescue work.	**36-096**
