

**Neutron Imaging at the Spallation Neutron Source**  
**November 3, 2008**  
**Iran Thomas Auditorium, Spallation Neutron Source, Building 8600**  
**Oak Ridge National Laboratory**

- 8:00 am     **Depart DoubleTree Hotel**
- 8:30         **Bus arrival at ORNL and registration**
- 9:00         **Welcoming and Introduction to Neutron Imaging**  
Ian Anderson, ORNL
- 9:45         **Who uses US Neutron Imaging facilities?**  
Dayakar Penumadu, University of Tennessee
- 10:15        *Break*
- 10:30        **Neutron Imaging Applications**  
Richard Hale, ORNL
- 11:30        **An imaging facility at SNS: VENUS**  
Hassina Bilheux, ORNL
- Noon         **SNS Tour and small group discussions with SNS Instrument Scientists** *with Lunch.*  
Jim Browning, Hassina Bilheux, Leighton Coates, Kent Crawford, Mark Hagen, Jason Hodges, and Ashfia Huq
- 2:00 pm     **Partnership Proposal**  
Kent Crawford, ORNL
- 3:00         **Discussion: What are the Needs?**  
Kent Crawford, ORNL
- 4:00         *Break*
- 4:15         **What are the Next Steps**  
Kent Crawford, ORNL
- 5:30         **Summary**  
Kent Crawford
- 6:00         **The High Temperature Materials Laboratory and its role in the development of technologies that will enable the United States to use less petroleum** *with Dinner.*  
Edgar Lara-Curzio, ORNL
- 7:30         Bus departure to Hotel
