

**SECTION 00001
SPECIFICATION REVISION MATRIX**

PART 1 - GENERAL

1.1 SECTION INCLUDES

- A. Matrix showing each Specification Section's current revision number.

1.2 PURPOSE

- A. This Specification is to be used in association with the following construction package only:

**CERTIFIED FOR CONSTRUCTION
TARGET UTILITIES**

CONTRACT NO. 00F-1660-2

WBS 1.6.6

Target Utilities

**Bldg 8700 and
Bldg 8520**

- B. The specification matrix below shows each section's current revision number applicable at the time of each construction package issue. Subsequent revisions to already issued sections will not affect existing construction packages already awarded unless specifically addressed by Bulletin. This specification section, 00001 shall be included in all construction packages.
- C. **The "Applicable Sections" column identifies with an X those sections applying to the construction contract identified in Paragraph A above. Those specification sections that are listed below, but DO NOT have an X in the left hand column are not applicable, nor part of contract documents associated with the above contract title.** The three columns under the "SNS Control No." to the right of the specification title is the document control number with the latest revision number of each section. Letter identified revisions have not been awarded to any contractor for construction purposes. Specifications with numbered revisions have been awarded to at least one contractor. The last column indicates the design office identifier with location (if necessary), which is responsible for creating and editing the specification section. This Section 00001 identifies the sections that make up each construction contract package and the revision status at the time of contract award. Sections subsequently awarded to another Contractor with a later revision number are not applicable to the previous Contract unless directed by a Bulletin.
