

Designed with the electrician's needs in mind

Premium Leather Line

Top of the line tool carriers are handcrafted from heavy, top-grain cowhide and slow tanned in natural oils to enhance the leather's inherent strength. Each bag is hand waxed for lasting protection against stains and moisture and is warranted for life. Natural or black leather – your choice.

Standard Leather Line

Leather that stands up to the job like no other material, these tool carriers are constructed of top-grain, natural cowhide and tanned for added strength and durability. Watch their color age to a deep tan over the years.

Fabric Line

Durable, lightweight, portable tool totes in rugged nylon polyester or heavyweight canvas provide the perfect tool storage. Convenient pockets mean easy access; inner compartments keep your tools organized and safe when not in use.

Tool Kits

Tool kits designed to meet the needs of the professional electrician, from apprentice to master electrician. Kit selections have been established with the guidance from leading electrical trainers and seasoned master electricians. Whether you're just starting out or are a seasoned professional, IDEAL Tool Kits provide the perfect carrier and tools to do the job.
