

Tuff-Tote™ Tool Carriers

Designed with the electrician's needs in mind, the Tuff-Tote™ line of tool carriers features leather construction for long-term durability and dependability. Leather stands up to the job like no other material and provides a rigid frame that will not collapse and let tools fall out. Tuff-Tote™ Tool Carriers are available in two types of quality leather:

Premium Leather Line

- Hand-crafted from heavy, top-grain cowhide
- Slow tanned in natural oils to enhance the leather's inherent strength and durability
- Hand-applied oils and waxes provide lasting protection from stains and moisture
- Offered in natural or black leather
- Lifetime warranty

Standard Leather Line

- Constructed of top-grain, natural cowhide
- Slow tanned in natural agents for added strength and durability
- Ages to deep tan color
- 5-year warranty

Tuff-Tote™ Ultimate Tool Carriers

- Eight-inch square tool carrier features two divided inside compartments with six screwdriver loops each, one large center compartment, four outside pockets and eight outside tool loops
- Exclusive leather-wrapped grab handle for carrying comfort
- Removable shoulder strap helps relieve lower back strain
- Unique stand-alone design keeps tools standing upright for easy identification and access
- Rust-resistant, plated-steel hardware and heavy, lock-stitched nylon thread for long-term durability
- Oil and moisture-resistant reinforced bottom
