

Ground Resistance Clamp Meter

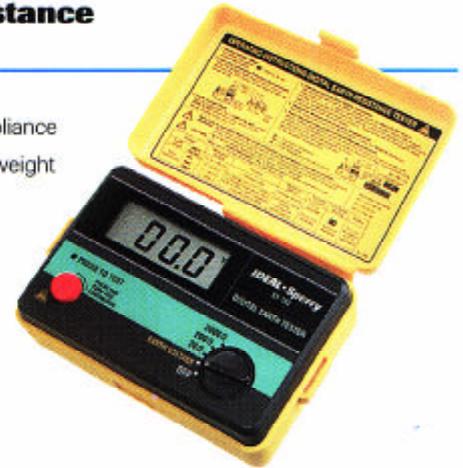

- Assures NEC compliance
- Compact and lightweight
- Lifetime limited warranty
- CAT III - 300V
Includes carrying case

Ground Resistance Meters

Ground Resistance Meters

- Assures NEC compliance
- Compact and lightweight

Description	Cat. No.
Ground Resistance Clamp Meter, simple clamp-on operation, ground leakage current, auto ranging, low battery indication, data hold	61-781

Description	Cat. No.
Ground Resistance Meter, meets IEC1010-1 standards, earth voltage, battery check	61-782
Ground Resistance Meter, meets IEC348 class II standards, earth voltage, battery check	61-783

Specifications	61-781		61-782		61-783	
	Range & Resolution	Accuracy	Range & Resolution	Accuracy	Range & Resolution	Accuracy
Display	Digital	—	Digital	—	Analog	—
Ground Resistance	0.250/9.999/19.99/199.9/ 400.0/600.0/1500 Ω	1.5%	20.00/200.0/2000 Ω	3.0%	10/100/1000 Ω	3.0% F.S.
Ground Leakage Current	1.000/10.00/1000m/15.00 A	2.0%	—	—	—	—
Earth Voltage	—	—	199.9 V	1.0%	30 V	3.0% F.S.
