

Workshop Presentation Submission Instructions

Presentations for the **11th ICFA Mini-Workshop on Diagnostics for High-Intensity Hadron Machines** to be held at the ORNL Spallation Neutron Source project in Oak Ridge, Tennessee, USA, on October 21-23, 2002, are to be uploaded to the workshop server by **5:00 p.m. Eastern Standard Time, October 17, 2002.**

The presentations should be in Office 2000 PowerPoint format. Any video clips embedded in the presentation should be compatible with Windows Media Player v7.x. If the presentation cannot meet these requirements, please notify Myra Fultz at fultzmj@sns.gov or via phone at (865) 241-6131.

Upload presentations for the ICFA review to the following folder on the SNS pueblo server:

\\pueblo\groups\Reviews\ICFA_Fall_02

or via ftp to:

snsftp.sns.ornl.gov, in the upload/reviews/ICFA folder.

If you have difficulty uploading your presentation via the ftp server, please call Dan Ciarlette (865-241-6349) or e-mail the SNS/IT group at sns_it@sns.gov.
