

Refueling DOE Vehicles*

(Note: This information is also posted in vehicles.)

Enter the East end of the Y-12 Site on Bear Creek Road. DOE vehicle refueling takes place ONLY at the WEST END of the Y-12 Site. Continue driving on this road. At Portal 2 security will check your badge. Continue driving until you reach the eighth traffic light, and then turn LEFT. (You will see the MK Ferguson building on your left). Continue to drive about ¼ of a mile to Portal #17. The ETMC gas pumps are on the RIGHT. For vehicle E-110452 (Corsica) the gas tank is on the passenger's side. For vehicle E-112563 (Jeep) the gas tank is on the driver's side. Remove the green ETMC Gasboy card (located on your vehicle key) and insert where indicated. Follow the directions located on the right side of the pump. You will need your six-digit government badge number and the vehicle odometer reading.

ALWAYS use pump #2. BE SURE GAS CAP LID IS SECURE. Fueling hours are 7:15 am – 3:34 pm.

*Sign-out sheets and keys for DOE vehicles are located in Room 242, 701 Scarboro.
